Re: Award Fee Determination
Contract DJB1PC-002, Northeast Ohio Correctional Center
Performance Period July 01, 2014 – June 30, 2015

Dear Mr. Beasley:

As stipulated in the Award Fee Determination Plan within contract DJB1PC-002, the contractor has an opportunity to earn an award fee commensurate with the achievement of performance above the acceptable level. The maximum award fee may not exceed five (5) percent of the total payment received for the evaluated period.

I have reviewed the recommendation of the Performance Evaluation Board based upon the performance monitoring information and the self-assessment submitted by Corrections Corporation of America (CCA). After a thorough review of this information, CCA received an overall rating of excellent. Therefore, an award fee in the amount of \$1,765,255.56 (or 90% of the maximum award fee) is hereby authorized for the aforementioned performance period.

Since this contract expired in May 2015, the CFM scheduled for May 2015, was cancelled. The contractor demonstrated exemplary performance this performance period as evidenced by no Notices of Concerns being issued.

The contractor had an exceptional Quality Control Program consisting of a corporate review team and standardized QCP instrument. Based on the improvements noted by Bureau staff, the contractor was performing its functions in an outstanding manner, resulting in no NOC's being issued.

The administration continues to improve their responsiveness to the Bureau's concerns by continuing to attend the daily meetings with oversight staff. Communication is effective at the morning meetings. The contractor implemented 11 Technical Directions from the BOP without incident.

The Contractor was very responsive in preparing and completing a smooth deactivation plan of NEO.

You may attach a copy of this correspondence to a separate billing requesting payment of the award fee. We appreciate the efforts of CCA staff during the performance period. Please let me know if you have questions regarding this award fee determination.

Sincerely,

Catherine S. Scott
